Hand Friendly Rimless Compression Sleeve Assembly Pliers

SD-01-101

Hand Friendly Rimless Compression Sleeve Assembly Pliers are used to firmly compress bushings used in their unique

Hand Friendly Compression Sleeve Removal "Push" Plier

SD-01-102

Hand Friendly Rimless Compression Sleeve Removal "Push" Plier has vertical jaws. Handy for removing both single or double

Hand Friendly Compression Sleeve Trimming Pliers

SD-01-103

Trims compression sleeves quickly and cleanly without the risk of damaged lenses! Razor sharp edges provide a clean cut.

Compression Sleeve Removal "Pull" Plier

SD-01-104

Removes all styles of compression mount frame hardware quickly and easily. Unique wedge action design simplifies hardware

Hand-Friendly 3-Piece Frame Adjusting Plier

SD-01-105

Hand-Friendly Pliers are built with an ergonomic design for comfort and ease of use, while still maintaining professional

Lens Screw Holding Pliers

SD-01-106

Hold end piece of rimless frame to make adjustments to pantoscopic tilt. Securely cradle lens screws for precise adjustment

Hand-Friendly Lens Aligning Pliers

SD-01-107

Hand-Friendly Pliers are built with an ergonomic design for comfort and ease of use, while still maintaining professional

Hand-Friendly Eyewire Shaping Pliers

SD-01-108

Hand-Friendly Pliers are built with an ergonomic design for comfort and ease of use, while still maintaining professional

Eyewire Bending Pliers

SD-01-109

Reform eyewire or add face curve to a flat frame front
Adjust bridges and temple tips

Eyewire Bending Pliers

SD-01-110

Used to bend or straighten eyewires, temples, or nose pad arms
Trident design provides leverage for finite adjustment

Tapered Eyewire Closure Pliers

SD-01-111

This Tapered Eyewire Closure Pliers confirms the proper fit of lenses in metal frames while edging, without inserting eye

Hand-Friendly Lens Sizing Pliers

SD-01-112

Hand-Friendly Pliers are built with an ergonomic design for comfort and ease of use, while still maintaining professional

Nose Pad Arm Anvil Pliers

SD-01-113

Make precise adjustments to nose pad arms
Small tips fit easily in tight areas

Hand-Friendly Slim Nose Pad Arm Adjusting Plier

SD-01-114

This Hand-Friendly Slim Nose Pad Arm Adjusting Plier is used safely on box-joint or post / screw pad and pad arm assembly

Crimp-On Nose Pad Crimping Pliers

SD-01-115

Attach crimp-on style nose pads securely
Precisely folds crimp-on tabs for a secure fit

Nose Pad Removal Pliers

SD-01-116

Pushes nose pad out of its holder
Use with all snap-style nose pads

Hand-Friendly Numont Pliers

SD-01-117
